

HONEST MEN AND WOMEN ENDORSE PE-RU-NA

The Utmost Confidence in Pe-ru-na.

Hon. C. C. Brooks, Mayor of Sunbury, Ohio, also Attorney for Farmers' Bank and Sunbury Building & Loan Co., writes:

"I have the utmost confidence in the virtue of Peruna. It is a great medicine. I have used it and I have known many of my friends who have obtained beneficial results from its use. I cannot praise Peruna too highly."

Health Restored by Pe-ru-na.

Miss Della Stroebe, 713 Richmond street, Appleton, Wis., writes:

"For several years I was in a run-down condition, and could find no relief from doctors and medicines. I could not enjoy my meals and could not sleep at night. I had heavy dark circles about the eyes. My friends were much alarmed. I was advised to give Peruna a trial, and to my joy I began to improve with the first bottle. After taking six bottles I felt completely cured. I cannot say too much for Peruna as a medicine for women in a run-down condition. The large number of homes in the United States alone, in which Peruna is used as a household remedy, can scarcely be estimated."

Pe-ru-na for General Debility.

Mrs. M. W. Seffel, 212 Matagorda St., San Antonio, Tex., writes:

"I have used Peruna for general debility and have found it very beneficial."

Mr. William H. Switzer, 225 E. 33d street, New York City, writes:

"I was troubled with catarrh of the throat particularly and suffered considerably as a result thereof for a period of about five years, and my general health was affected. Three years ago I was forced to give up business and took up my residence in the Western country, looking for relief in a change of climate as well as a change in the method of treatment for my ailment. I had known of Peruna before, but my belief seemed to lie in private treatment. After much expense, both here and in the West, I was induced by a friend in Chicago to try Peruna. I began the use of same whilst there and continued it for about five weeks, at the end of which time I returned to New York, both well and happy. I am now no longer taking Peruna, but if the necessity should again arise, I shall remember its friendship. Furthermore, I will always be pleased to speak a word in favor of this excellent remedy."

Pe-ru-na Recommended For Coughs and Colds.

Prince John Kallanianoale, 1522 K St., N. W., Washington, D. C., writes:

"I can cheerfully recommend your Peruna as a very effective remedy for coughs, colds and catarrhal trouble."

Probably no other physician has received such a volume of enthusiastic letters of thanks as Dr. Hartman for Peruna.

Mr. Abner N. Keep, Vineland, Ontario, Can., writes:

"For over twenty years I was a sufferer from catarrh and had tried almost everything I could hear of. I doctored with physicians and specialists, but did not get relief. Finally I decided to try Peruna. One bottle of it gave relief. After taking five bottles I was sound and well. I am 82 years old and feel as good today as when I was in my thirties."

Colds in Head, Throat and Chest.

Mrs. Lucy Hoey, 574 6th Ave., Brooklyn, N. Y., writes:

"I am thoroughly convinced that Peruna is everything that it is said to be. It cured me of a cold which hung on for over two months and which had me greatly worried. Peruna, though, acted like magic and I earnestly recommend it to all sufferers."

Pe-ru-na Recommended For Coughs and Colds.

Mr. James D. King, Alamo Hotel, Colorado Springs, Colo., member Yonmans of America, writes:

"I had to come here on account of lung trouble and found that my recovery was very slow. A friend suggested that I try Peruna and I did so. I began to improve very rapidly and I kept right on using it. In four months my lungs were all healed and my cough all gone. I feel that much of the credit is due to Peruna, and I am pleased to endorse it."

Revised Formula.

"For a number of years requests have come to me from a multitude of grateful friends, urging that Peruna be given a slight laxative quality. I have been experimenting with a laxative addition for quite a length of time, and now feel gratified to announce to the friends of Peruna that I have incorporated such a quality in the medicine which, in my opinion, can only enhance its well-known beneficial character."
